

PETITION FOR FORENSIC INVESTIGATION INTO THE ATTACKS ON 9-11-2001

<http://www.ipetitions.com/petition/911CSI>

We the undersigned, hereby petition the United States Congress to commission a full, independent, professional Crime Scene Investigation of the September 11, 2001 attacks on the World Trade Center and the Pentagon, for the purpose of determining who was actually responsible for the attacks, who was complicit in the attacks, who gave their tacit consent for the attacks to proceed, and to determine the precise method used to fell the World Trade Center towers and Building #7, and to demand the declassification and immediate release of all heretofore unreleased documents and sealed testimony given to the (former) 9-11 Commission.

We petition the United States Congress to IMMEDIATELY do the following:

1. Convene a NEW Investigative body, hereafter called "Independent CSI Commission", which is to be overseen by a panel of ordinary citizens willing to serve in this capacity, comprised of forensic professionals, explosives experts, arson investigators, architects, criminal investigators, detectives, and NY City Law Enforcement, as well as representatives from the media and independent news sources, advocacy groups, victim's families, and other concerned individuals.
2. Subpoena all heretofore "sealed" testimony given to the 9-11 Commission as material evidence in the crime of PREMEDITATED MURDER, and make such testimony and the identity of the witnesses available to the New York State Attorney General who has jurisdiction over crimes committed in New York City.
3. Rescind all "gag orders" and threats of retaliation / imprisonment against all witnesses who have testified before the 9-11 Commission.
4. Take appropriate measures to protect said witnesses against sanctions or retaliations for their testimony.
5. Subpoena all records and call all witnesses willing to testify before the 9-11 Commission who were prevented from doing so, to testify before the new Independent CSI Commission.
6. Subpoena into evidence all remaining debris from the World Trade Center crime scene, and recall any remaining structural steel for forensic examination.
7. Rescind all "blocks" on Freedom Of Information Act" petitions, requests, or lawsuits which were previously denied on grounds of "National Security".
8. Subpoena all insurance company records of Mr. Larry Silverstein and Silverstein Properties, Inc. into evidence as motive for complicity in the 9-11 crimes.

As the CRIMES of ARSON, MURDER, TREASON, and other crimes have been committed in the Jurisdiction of New York, we demand that the case investigation be turned over to the NY State Attorney General, and he is to be given complete control of the Independent CSI Commission investigation, with special powers to arrest and detain any suspects, to extradite them, or do whatever is necessary to ensure their capture.

We DEMAND a FULL, IMPARTIAL, and TRUTHFUL investigation into the 9-11 crimes, and DEMAND that the perpetrators, their co-conspirators, agents, provocateurs and anyone having prior knowledge of these intended criminal acts be ARRESTED and charged with MASS-MURDER and TREASON against the United States of America, and if found guilty by a jury of New York Citizens, to be hanged in accordance with the Uniform Code of Military Justice (UCMJ) as it applies to the crime of TREASON in time of WAR.

We demand a FULL investigation into the parties or firms trading in "PUT OPTIONS", who profited from the fall of United and American Airlines stock.

We demand a FULL ACCOUNTING of all recovery efforts, and an inventory of all items of value – including all the precious metals (gold and silver) recovered from vaults in the WTC basements and sub-basements with full disclosure to the Independent CSI Commission.

We also hereby DEMAND that the USA Patriot Act and all of its components, supporting laws and legislations be summarily rescinded and declared UNCONSTITUTIONAL, and all persons being held in custody under such laws or legislation be IMMEDIATELY RELEASED into the custody of the New York State Attorney General, who will review the evidence against them and determine whether or not there is PROBABLE CAUSE to detain them further.

We DEMAND that all law-abiding citizens who have been unjustly detained, arrested, or imprisoned under the USA Patriot Act be fully compensated for their ordeal.

We hereby also DEMAND that those involved with the cover-up of the fact that the TOXIC DEBRIS of the WTC collapse posed an immediate risk to the health of rescue workers and residents / workers be ARRESTED and charged with RECKLESS ENDANGERMENT and CONSPIRACY TO OBSTRUCT JUSTICE.

We hereby also demand that anyone complicit in the COVER-UP of any information that would have led to the IMMEDIATE ARREST of those responsible – either directly or indirectly – for the 9-11 attacks, be ARRESTED and charged with CONSPIRACY to commit TREASON, OBSTRUCTION OF JUSTICE, and PERJURY.

We hereby petition the Congress of the United States to declare a SPECIAL CIRCUMSTANCE, and remove any and all restrictions on the prosecution of criminals associated in any way – either by omission or commission – in the 9-11 attacks, including the suspension of any legal “technicality” such as the tolling of the STATUTE of LIMITATIONS associated with non-capital crimes, which would prevent the prosecution of criminals who have committed the “lesser” offenses such as perjury or obstruction of justice, *et al.* in order that the criminals are not served by their own crime of obfuscation of the truth.

Furthermore, we DEMAND that any and all profits and ill-gotten gains by individuals or companies that directly resulted from the 9-11 attacks, including the war profits made by Halliburton, Oil windfalls gained by Exxon, and all other military contractors be summarily seized and returned to the taxpayers.

We DEMAND that the QUALIFIED IMMUNITY of any and all politicians, prosecutors, public servants, and others who would be protected against PERSONAL LAWSUITS because of their positions in government, be rescinded under “Special Circumstances”.

Furthermore, we DEMAND an IMMEDIATE WITHDRAWAL of all troops, and all military presence in the Middle-East. We DEMAND that border security of a meaningful nature be established, illegal aliens be DEPORTED at their own country’s expense, and the “Office of Homeland Security” be summarily abolished.
