**NOTE 1:** The author will autograph your book and send it to you personally. If you wish to have an autographed copy, there are shipping charges involved from the publisher to the author and from the author to you. Autographed copies also require a bit more time to process because of the logistics and delivery times involved. Delivery is by US Postal Service. You may order multiple autographed copies. Offer for autographed copies will only be shipped within the continental United States.

**NOTE:** If you are sending a personal check, please allow time for the check to clear. Also, please be sure that your account is not overdrawn, since my bank will charge you heavily for insufficient funds. The most expedient method is to send a Postal Money Order payable directly to the author.
